

List of Tables

1. Are you registered to vote or not? 2

2. Why haven't you registered to vote? (Check all that apply) 3

3. You indicated that you were registered to vote. How did you register to vote...? 4

4. To the best of your knowledge, are your immediate family members of voting age (18+) – such as parents or siblings – currently registered to vote? 5

5. How would you describe the voting habits of your immediate family members of voting age (18+)? 6

6. How would you describe the voting habits of your extended family members of voting age (18+) – such as grandparents, aunts, uncles, or cousins? 7

7. Are you aware that the State of California plans to send a vote-by-mail ballot to every registered voter ahead of the November election, due to the COVID-19 pandemic? 8

8. Do you plan to vote by mail or in person this November? 9

9. Are you confident that you understand the process of voting by mail, including marking your choices on the ballot, placing the ballot in the official return envelope provided by your county elections office, sealing and signing the envelope, and returning the ballot by mail or in person? 10

10. If you are planning to – or would like to – vote by mail in November, do you feel like you understand how to do so? 11

11. If you are planning to – or would like to – vote by mail in November, do you feel confident that your mail ballot will be counted accurately by elections officials? 12

12. Are you aware that you can vote and have your ballot counted even if you decide not to vote in every electoral race, ballot measure, or referendum on your ballot? 13

13. Have you ever personally been discouraged from voting because a parent or other adult told you that you didn't understand the issues? 14

14. Have you ever personally been discouraged from voting for any other reason? 15

15. Do you think that all U.S. voters should be able to vote by mail? 16

16. Do you plan to vote early in the November election? 17

17. Are you aware that if you recently moved or changed addresses, you may need to re-register to vote? 18

18. What sources of information influence your decision making on voting and elections? (Check all that apply) 19

19. Some people seem to follow what's going on in government and public affairs most of the time, whether there's an election going on or not. Others aren't that interested. Would you say you follow what's going on in government and public affairs 20

20. In many cities around the country, people have started non-violent protests, marches, and rallies in response to the deaths of African Americans during encounters with police. Do you approve or disapprove of these non-violent protests? 21

21. How closely are you following the news about these protests, marches, and rallies? 22

22. Have you participated in a protest, march, or rally focused on racial injustice, systemic racism, police brutality, and/or federal involvement in local police enforcement in the past four months? 23

23. Have concerns about contracting COVID-19 prevented you from participating in these protests, marches, and rallies? 24

24. Have these protests and rallies affected your plans to vote in November? 25

25. How closely are you following the news about coronavirus? 26

26. Taking into consideration both your risk of contracting it and the seriousness of the illness, how worried are you personally about experiencing coronavirus? 27

27. How would you describe your own adherence to public guidelines to avoid social gatherings, ensure 6ft of distance from non-household members, and only go outside for essential services? 28

28. Thank you for your honesty. Can you please tell us why you haven't been social distancing? 29

29. In your opinion, how serious a problem is COVID-19 in the U.S.? 30

30. In your opinion, how serious a problem is COVID-19 in your community? 31

31. In the past seven days, how often have you worn a face covering when outside your home? 32

32. Do you support or oppose the policy that made it mandatory to wear masks in public places in California? 33

33. In considering whether to reopen the economy, are you more concerned about lifting the restrictions too quickly or too slowly? 34

34. Do you believe that colleges and universities should reopen for in-person learning or online learning this fall? 35

35. If your school re-opened completely or partially this fall, would you attend in-person classes? . . . 36

36. Has the COVID-19 pandemic caused you to change your educational plans for the fall? 37

37. If the pandemic has caused you to change your educational plans for the fall, what is the primary reason? (Check all that apply) 38

38. Do you think it is safe for college athletes to resume playing sports? 39

39. Do you personally know anyone who has tested positive for COVID-19? (Check all that apply) . . . 40

40. Do you personally know anyone who has had their work hours or pay reduced due to COVID-19? (Check all that apply) 41

41. Do you personally know anyone who has been laid off from work due to COVID-19? (Check all that apply) 42

42. How well do you think your state and local government has handled the COVID-19 pandemic so far? 43

43. How well do you think the federal government has handled the COVID-19 pandemic so far? 44

44. Has the United States' response to the COVID-19 pandemic affected the likelihood that you will vote in November? 45

45. Do you think another round of federal stimulus money is needed to combat the economic effects of the COVID-19 on the following groups? (Check all that apply) 46

46. Do you think that the federal, state, or local government should provide funds to individuals and/or businesses to prevent evictions during the COVID-19 crisis? 47

47. Has COVID-19 caused you to change your living arrangement; e.g., leaving your dorm or college campus to be at your family home? 48

48. Has COVID-19 resulted in you or someone you know being to be evicted or forced to leave their home? (Check all that apply) 49

49. Are you concerned that fears about COVID-19 may depress voter turnout in the November presidential election? 50

50. In light of the COVID-19 pandemic, election officials in California and a number of other states have taken action to expand voters' ability to vote early or to vote by mail or absentee ballot. Do you support or oppose expanding voters' ability to cast their vote? 51

51. How much attention have you been paying to the current election campaign for president? 52

52. How much attention have you been paying to the state or local elections? 53

53. In the current presidential campaign, have you encouraged other people to vote for a candidate in any of the following ways? 54

54. Have you encouraged other people to vote for local or state candidates or ballot measures in any of the following ways? 55

55. Has your level of political activity changed because of the coronavirus? 56

56. You indicated that your level of political activity has increased because of coronavirus. Has any of your political activity been virtual or online? 57

57. In the past 3 months, have you done any of the following? 58

58. At this point, how likely are you to vote in the November 2020 general election? 59

59. How confident are you that it will be simple and easy to vote this November? 60

60. Would you say things in this country today are generally headed in the right direction or are off on the wrong track? 61

61. What do you think are the most important issues facing the United States today? 62

62. For the topics that you selected as most important to you, have you ever tried to influence public policy or opinion? 63

63. What methods do you use to influence public policy or opinion? 64

64. Have you heard or read anything recently about the 2020 Census? 65

65. Have you, or someone in your household, completed the 2020 US Census form? 66

66. How did you complete the 2020 US Census form? 67

67. Why haven't you completed the US Census? 68

68. How confident do you feel that you understand the purpose and impact of the Census? 69

69. Are you aware that the 2020 Census is required by law to count everyone currently living in the United States, regardless of their immigration status? 70

70. Are you aware that your responses to Census questions are required to be kept confidential by federal law? 71

71. Are you aware that the U.S. Census Office is currently planning to conclude all counting efforts for the 2020 Census on September 30, 2020, rather than October 31 as previously announced? 72

72. Do you approve of the U.S. Census Office decision to conclude all counting efforts (in person and by mail, phone, or email) one month early? 73

73. At this point, how likely are you to participate in the 2020 Census? 74

74. You indicated that you do not plan to participate in the 2020 Census, why not? 75

75. Are you aware that Californians will vote on this November, which – if passed – will allow schools and public agencies to take race, gender, and ethnicity into account when making decisions about college admissions, job hiring or contracting? 76

76. Has the inclusion of Proposition 16 on the November ballot made you more or less likely to vote? 77

77. The president of the United States is in charge of nominating new members to the U.S. Supreme Court. How much, if at all, does this affect your plans to vote this November? 78

78. And, just to confirm, how old are you today? 79

79. What gender do you identify as? 81

80. What racial or ethnic group best describes you? 82

81. Please indicate the racial or ethnic groups that best describe you? 83

82. Are you of Spanish, Latino, or Hispanic origin or descent? 84

83. Do you speak Spanish on a regular basis? 85

84. What is the highest level of education you have completed? 86

85. Are you currently enrolled in school or vocational training? 87

86. What type of educational institution are you currently attending? 88

87. What is your marital status? 89

88. Which of the following best describes your current employment status? 90

89. What best describes your current living arrangement? 91

90. Thinking back over the last year, what was your family's annual income? 92

91. Generally speaking, do you think of yourself as a ...? 93

92. \$pid7text 94

93. Who did you vote for in the election for President in 2016? 95

94. What is your State of Residence? 96

95. In what county in California do you live? 98

96. California region 100

97. In general, how would you describe your own political viewpoint? 101

98. What is your present religion, if any? 102

99. To which Protestant church or group do you belong? 103

100. Aside from weddings and funerals, how often do you attend religious services? 104

101. Would you describe yourself as a "born-again" or evangelical Christian, or not? 105

102. How important is religion in your life? 106

103. People practice their religion in different ways. Outside of attending religious services, how often do you pray? 107

104. 108

105. 109

1. Are you registered to vote or not?

Yes, registered to vote at my current address	65%
Yes, registered to vote at a different address	8%
No, not registered	27%
Totals	100%
Unweighted N	(1,000)

2. Why haven't you registered to vote? (Check all that apply)

Not registered to vote - I don't want to vote, so I don't need to register	36%
Not registered to vote - I intend to register, but haven't gotten around to it	25%
